

Restaurants

There are restaurant recommendations on the B&B maps but as so many restaurants open, close and change owners, we have included a more comprehensive list here covering the coastal towns from Padstow to St Ives.

These recommendations are based on our own experience, hearsay and proximity to the B&Bs. They are intended as a guide rather than a definitive list and include a wide range of establishments.

Main course:

£ - less than £20

££ - £20 to £25

£££ - over £25
